Our Church...

OUR STORY

As we enter the month of July, I am overwhelmed by the faithfulness of God in the past 41 years. Our church has grown not only in numbers but also in terms of ministries. The church is not a building but a body, and like any body, it is built and sustained by different parts working together. 1 Corinthians 12:12 says, *Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ.* Each member within the church plays a crucial role in building the church and fulfilling God's purpose.

Let us pause for a moment and see the growth of our church over these decades: Rev. Earl and Sis. Arlene Stubbs along with their two daughters were led to begin a small church on the 10th of July 1983 at their residence in Sainikpuri, Secunderabad. It was time to move out of their home when it could no longer accommodate the growing congregation.

The Church began to gather in the conference hall of Hotel Karan in Secunderabad and with their first meeting having 14 people in attendance. For the next 4 years at Hotel Karan, the church experienced great blessing and growth.

The Church moved to a large garage of Apex Motors on Rashtrapathi Road on 2nd August 1987 and the next three years was again the saga of growth and God's abundant grace.

When the continual growth had outgrown the space available at Apex Motors, the church moved to Millennium Gardens, Secunderabad in 1990 and grew from strength to strength in fellowship and in devotion.

On 8th of July 2018, New Life Assembly of God Church moved to its very own Promised Land, our beautiful Church facility at Kompally. Today, the church family has over 5000 members, and remains committed to connecting people to Jesus and investing in the spiritual growth of its people.

The growth of the church is evident in the expansion of the church into three campuses. Having multiple campuses at Kompally, Diamond Point and Hitech City, the church is made accessible to all who might not be able to attend the main campus.

We at New Life are focused on exalting the name of Jesus through our anointed worship services. We believe in laying a strong Biblical foundation for our children, in equipping the youth for the future and in extending the gospel. We are supported by an army of volunteers in various departments to accomplish the God given task.

The purpose of these ministries is to equip the believers for service and to help us grow in unity and maturity. Ephesians 4:12-13 says *...to equip his people for works of service, so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.*

Our Church has a wonderful past and will have a glorious future!
