THE *Legacy*

It's been 12 years since our Founding Senior Pastor, Rev. C. Earl Stubbs passed away. It came as a shock to everyone and to this day, many of us still miss him.

There were many remarkable things about Pastor Stubbs. His obedience to the call of God, the perseverance to continue pursuing that call, His Christ-like nature and many other characters are all worth mentioning. But today I am going to mention three things about Pastor that stood out for me and I believe that our Church still carries that legacy that was passed on by Pastor Stubbs.

A man of Prayer. The images of Pastor Stubbs kneeling down at the corner of the stage before he shared the message and Pastor walking through the isles praying for his beloved congregation during the service are etched in many of our minds. There was no doubt that he had a living, walking, intimate relationship with God.

A man rooted in the Word. If it came from Pastor's mouth, it had to be doctrinally correct. He did not just have an extensive knowledge of the Word, He lived by it. I remember seeking his counsel on a couple of important matters and in all those occasions, he referred to the Word of God as the final authority.

A man of Integrity. It was always Black and White, with Pastor. There was ethically, no compromise. This was evident in all the church's dealings. The financials were all accounted and audited, the land dealings had to be in "white", the reports were always accurate and were disclosed on every anniversary. He was a man of his word and the Bible was his standard.

Today we are blessed because our founding Pastors ensured that our church was built on true Biblical foundation. Just like Paul says in 1 Cor. 11:1 *Imitate me as I imitate Christ.* We have an example of a man who was Christ-like to emulate.
